Super Service

A storage system that defines the extent of space, Super Erecta's revolutionary concept was fresh and innovative from its start - nearly 40 years ago. It has continued to evolve, with nearly 100 highly specialized accessories, aimed at meeting the diversity of today's challenges.

Genuine Metro!

Metro created the original post-based shelving unit in 1965. Still today, Metro Super Erecta Shelving is recognized worldwide as the most popular commercial shelving system ever.

Super Assembly

Fast & Secure

SiteSelect™ Posts with the double-groove visual guide feature, have circular grooves at 1" (25mm) intervals and are numbered at 2" (50mm) intervals. A patented, tapered split sleeve (plastic or aluminum) snaps together around each post. Tapered openings in the shelf corners slide over the tapered split sleeves providing a positive lock. Shelf is assembled in minutes without the use of any special tools.

Super Adjust

Easy to adjust

Shelves can be repositioned at precise 1" (25mm) increments along the length of the numbered posts. Bolt levelers for the feet compensate for surface irregularities.

Super Design

Available in 5 finishes

Super Erecta shelving is available in a variety of finishes: Super Erecta Brite and chrome-plated for dry storage; MetroSeal 3™ with antimicrobial product protection and stainless steel for corrosive environments; and attractive black epoxy for merchandising applications.

Available Finishes

- Stainless Steel
- MetroSeal 3 (12 year warranty)
- Chrome
- Brite (Zinc Coated)
- Black Epoxy

METRO SEAL 3
 with Microban® Antimicrobial Protection

Super Accessibility

Easy to access

Shelves can be loaded/unloaded easily from all sides. This open construction allows use of maximum storage space of cube.

Super Durable

Incredible strength up to 800 lbs (365 kg)

Super Erecta shelving is available from a 14" upto 36" width with a length available from 24" to 72". SiteSelect Posts are available up to 86" Stationary units hold a maximum of 2,000 lb. (910kg). Maximum weight capacity per shelf (48" [1219mm] or shorter = 800 lb. [364kg]; longer than 48" [1219mm] = 600 lb. [273kg]).

Super Mobile

Easy to move

Full choice of caster types available for mobile applications.

Super Versatile

Easy to interchange

Super Erecta Shelf® wire shelving can change as quickly as your needs change. By using various accessories, hundreds of shelving configurations become possible.
