**Q** uick to Assembly  
**Q** uick to Clean  
**Q** uick to Adjust  
**Q** uick to Adapt  
**Q** uick to Move  
**Q** uick Service

The **METRO MAX Q** for Quick and Quality, that is what **METRO MAX Q** is all about!

**Quick to Assembly** *Assembles in minutes*

**METRO Q** assembles in minutes, without tools. Posts have numbered grooves at 1" (25mm) increments. Simply attach the shelf wedge connectors to the posts at the desired shelf locations, insert the posts into a stack of shelves and raise the shelves into position. MetroMax Q's packaging design minimizes the amount of cardboard, making installation, cleanup and disposal easy.

**Quick to Clean** *Easy and quick to clean*

Polymer shelf mats lift off the shelf frame for easy cleaning. Shelf mats are divided into 12" (305mm) and 18" (457mm) modules that fit easily into a dishwasher for cleaning. **METRO Q** shelf mats have built-in Microban® antimicrobial product protection. They remain cleaner between cleanings.

**Quick to Adjust** *Easy to adjust*

**METRO Q**'s unique corner design allows you to unlock shelves without the need for tools. Simply pull each Corner Lock Release™ to unlock the shelf, relocate the wedge connectors to the new height on the posts, and reposition the shelf.

**Quick to Adapt** *Easy to interchange*

To meet your customer wishes, **METRO Q** has a wide range of accessories such as dividers, ledges, tote and tray slides and many more available to allow you to customize **METRO Q** to your exact needs.

**Quick to Move** *Easy movable*

**METRO Q** can quickly become mobile by removing the threaded leveling foot and adding any standard MetroMax stem caster. By making the unit mobile, it is easy to remove the unit from the storage room for cleaning.

**Quick Service** *Quick service and delivery*

Besides a lifetime warranty against rust and corrosion for the polymer shelves and for posts 15 year warranty, our customer service will help you with all your questions. With all the running items on stock we can guarantee short lead times.
